This is a detailed cadastral map of a coastal area, likely in the 19th century. The map is divided into sections (Sec. 1 to Sec. 24) and features various annotations including acreage, section numbers, and place names like "Logansport" and "Lodgepole". The map includes a grid system with letters A through G and numbers 1 through 6. The coastline is irregular, with several bays and inlets. The land parcels are mostly rectangular, with some irregular shapes. The water bodies are shaded in light blue. The map is a black and white reproduction of a historical document.
